Liz – I think it would work fine for you to ride down with me on Tuesday. Are you staying in Durango or Silverton that night?

Can we carpool? I may stay in SW Colorado through the weekend and get a ride back to Denver with Matt.

Liz

Liz – I'll be attending the ARSG meeting and the mining conference, but I'll be driving on my own for this trip.

Thanks,

Steve

Hi all,

I reserved a Superfund vehicle for the ARSG meeting and the San Juan Mining Conference from May 26-30. Please let me know if you are planning on attending these meetings and would like to carpool down to Silverton. I can facilitate the coordination of meeting location, etc.

Thanks,

Liz
